Terminology

Customer Experience

Customer Experience is the sum of all interactions a customer has with a supplier of goods or services, over the duration of their relationship with that supplier.

"CX" is our abbreviation for the customer experience.

WHY CUSTOMER EXPERIENCE MATTERS CSAT

In its simplest form, CSAT is expressed as a percentage between 0 and 100, with 100% representing complete customer satisfaction. There can be a large variance between the CSAT scores of companies in a given industry, or at the same company over time. Many companies that boast high customer satisfaction are those with CSAT scores in the upper 80's or 90's,
